

SENIOR PROJECT SUBMISSION CHECKLIST

How to Submit Your Senior Project for Processing

After your senior project has been signed off by your senior project advisor, please submit the following items with the appropriate number of copies to the **COMPUTER SCIENCE DEPARTMENT OFFICE, 14-254**. University submission guidelines may be found at <http://lib.calpoly.edu/srproj/index.html>

Required:

- An electronic copy (on CD ROM) of your senior project report (labeled with your name and date submitted) in .pdf, .doc, .rtf, .html, or .ps format only

If you choose to submit your Senior Project to the library, please submit these to the CSC Department Office:

- One (1) unbound copy of your senior project report
- Cashier receipt showing payment for microfiche
- Three (3) typed and signed copies of the Senior Project Requirement form printed off the web at <http://www.lib.calpoly.edu/srproj/index.html>
- The completed senior project submission checklist (this sheet)
- An extra copy of your Abstract (marked "office copy")

Please put all of the above in a brown manila envelope labeled "Senior Project" and deliver to the Computer Science Department Office, 14-254.

Thank you and congratulations on completing your senior project.

Please include your after-graduation address and contact information.
